AGENDA ITEM # 5

TO: Parks & Recreation Commission

FROM: Manny A. Hernandez, Staff Liaison

SUBJECT: Parks and Recreation Commission involvement in Senior Commission sub-committee

BACKGROUND

The Senior Commission has been charged with looking into Los Altos Senior Programming and developing procedural recommendations for services at both the Hillview and Grant Community Center locations. Recommendations developed by this sub-committee will be taken back to the Senior Commission for review.

DISCUSSION

The Parks and Recreation Commission requested discussion on the PARC level of involvement in the Senior Commission sub-committee tasked with developing senior program recommendations. There are pathways to involvement in this committee that could include, but are not limited to:

- Assign Commissioner to be a part of the task force
- Request for review during or at the conclusion of the process before recommendations are presented to staff
- Update on the recommendations decided by the Senior Commission

The Parks and Recreation Commission will discuss and decide the desired level of involvement in this project. Staff will provide clarification on possible Brown Act restrictions of the Commission based on the desired level of involvement.
